## SUMMARY

PGDM Marketing student with practical exposure to business development, market research, and event promotions. Completed a Business Development internship at Word Publishing Testing Pvt. Ltd., where I worked on company and competitor analysis to support business planning. Experienced in lead generation, client coordination, and professional communication, with strong command over MS Office tools. Seeking a Management Trainee role to apply on-ground business experience and marketing knowledge while contributing meaningfully to organizational growth.

## WORK EXPERIENCE

### Word Publishing Testing Pvt. Ltd. (WP Pvt. Ltd.)

Navi Mumbai | 2025

- Conducted in-depth research on AI testing companies, analyzing their products, core features, and short-term and long-term roadmaps.
- Benchmarked competitor offerings to identify feature gaps and opportunities not present in the existing internal testing solutions.
- Evaluated market trends to recommend new functionalities and enhancements that could be integrated into the organization's testing tools.
- Performed SWOT analysis for each competitor and consolidated insights into structured reports.
- Collaborated with the Business Analyst to validate findings and support documentation accuracy for product planning.
- Contributed insights used in defining requirements for developing the Minimum Viable Product (MVP) of the testing tool.

## EDUCATION

### Post Graduate Diploma in Management

2024 – 2026

Dr Mar Theophilus Institute of Management Studies (DMTIMS)

- Specialization in Marketing.
