

“Ride Smart. Ride **Electric.**”

A complete 6-month campaign to launch stylish, affordable, zero-emission electric scooters in India

Vishal Tiwari

The presenter

WHY IMC MATTERS FOR VOLTGO

- Consumers see thousands of ads daily across multiple channels
- IMC ensures one clear, consistent brand message
- Electric scooters are rising due to affordability, low maintenance & zero emissions
- Government support + young consumers' preference for sustainable products

- Campaign Goal: Build awareness, trust & drive trial/purchase of VoltGo scooters

VISION | MISSION | POSITIONING

Vision

Make electric transportation accessible, affordable & sustainable for every Indian

Mission

Design stylish, tech-advanced, reliable scooters that reduce fossil-fuel dependence

Positioning

Modern, eco-responsible commuter scooter for ages 18-39 in urban areas
